MEMORANDUM FOR: [REDACTED]

SUBJECT:

: Project MERRIMACK

1. Your office is directed to place assets in suitable organizations in the Washington, D.C. area in order to obtain information concerning any intended demonstrations directed against any of our properties.
2. It is felt that some of your cadre of personnel will be suitable for use on this project. It has come to our attention that the Washington Peace Center, 2111 Florida Avenue, N.W. might be an appropriate starting place and is reportedly an information and co-ordinating location for many local "protest" groups.
3. It has been suggested that the most useful type of agent would be one who shows interest in the objectives of the groups and is willing to participate in demonstrations and distribution of pamphlets, etc.
4. Expenses incurred in this endeavor should be charged against Project MERRIMACK; support hours spent on this project should be maintained and reported separately on your monthly report.
